LOCKHEED MARTIN

October 12, 2001

Mr. Gerard J. Thibeault
Executive Officer
California Regional Water Quality Control Board
Santa Ana Region
3737 Main Street, Suite 500
Riverside, CA 92501-3339

Dear Mr. Thibeault:

This report is submitted in accordance with the approved August 15, 1997, Work Plan and Schedule prepared under Cleanup and Abatement Order No. 97-58. It covers activities from July 2001 through September 2001.

Perchlorate Sampling

Monthly sampling for perchlorate in selected production wells has been ongoing. The results have been submitted previously to the Regional Water Quality Control Board (RWQCB) (Production Well Sampling Reports, and the Water Supply Contingency Plan Report).

Modeling

No additional activity to report during this period.

Perchlorate Treatment Technology Update

No additional activity to report during this period.

City of Riverside

The design and bid packages for the North Orange (NO) Pipeline Project were completed. Bids were received for the construction of the NO Project and are being evaluated by the City. Gage Wells 29-3 and 26-1 have been refurbished.

City of Loma Linda

Plans were submitted to the City on September 25, 2001. They are currently reviewing these. Installation will proceed on their approval.

Victoria Farms

Lockheed Martin Corporation is in process of drafting up legal agreements with Victoria Farms regarding connection to San Bernardino.

City of Redlands

Ongoing technical discussions are underway to identify the best approach to meeting peak summer water demand in the City's 1350 pressure zone.

Mountain View Power Company (formerly Southern California Edison)

No activity to report during this period.

Loma Linda University

No activity to report during this period.

Perchlorate Study Group

The PSG continues to maintain a dialogue with OEHHA and is providing technical data to OEHHA in support of their efforts.

Staffing

Bob Simpson, a Technical Project Manager with Lockheed Martin Corporation, has taken over the role of project manager from Mr. Stephen Evanoff. My address is as follows:

Lockheed Martin Corporate Energy, Environment, Safety & Health
West Coast Projects Office, #301
2550 N. Hollywood Way
Burbank, California 91505-1055

Mr. Gerard J. Thibeault
October 12, 2001
